

REGISTRATION FOR EV ACCESS

Electric vehicle charging stations are limited to tenants only. Please ask the ABM team for an electronic permit and follow the instructions below to set up your access for the ABM charging stations.

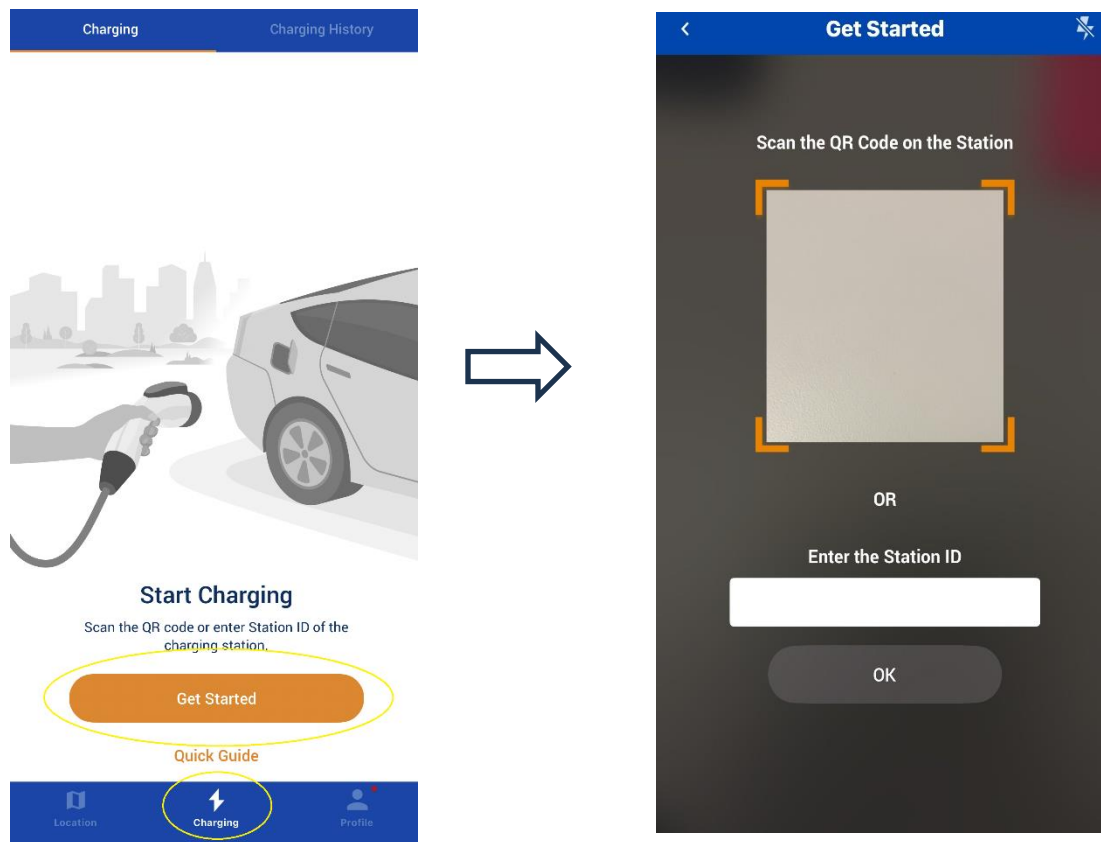

1. Download the ABM EV OS application  on your phone.
2. Set up an account on the app.
3. Once the account is set up, go to “profile tab” at the bottom right corner and select “ABM Cards & Membership Plans”.

4. Select “Add ABM Card or Plan” and scan the QR code (membership permit) provided by the ABM team.

5. Once the membership card is added, go to the “Charging” tab, select “Get Started” and scan QR code on the device through the application.

6. Follow the prompts to add payment information and start charging your vehicle.

Please reach out to ABM Parking Services team at john.dunton@abm.com, nadir.jailani@abm.com or call us at 206.264.8444.
