

Antonio Cruz

Additional Circle of Excellence Nominations

It's my absolute pleasure to nominate Tony for leader of the month, this is long overdue. He's a seasoned leader that can be plugged into any situation, anywhere, and inspire everyone around him to meet their potential. Aside from that he's just a great human with serious charisma, that can walk into any room filled with strangers and leave with new friends. We are all lucky to have him on our side and I can't thank him enough for all his contributions to our success in Utah.

Working with Tony Cruz has been an exceptional experience. He demonstrates adaptability and a strong commitment to the team's success. Tony takes on challenges with confidence. We are proud to offer support to Tony and his team at the Grand Hyatt Deer Valley. I am also thankful he has been able to return the favor and support our other operations across the Salt Lake Valley. His ability to communicate, collaborate, mentor new team members, and maintain high standards in both guest service and behind-the-scenes work makes him a highly respected and trusted colleague. Having Tony with us is truly a privilege.

Tony Cruz joined the Propark family a little over a year ago, walking into a role with a lot of challenges to say the least. This nomination is probably a little overdue, as Tony would tell you this site never really stops until shoulder season, as a result we don't get much time to reflect and appreciate everything Tony and his team has accomplished and that stops today. Tony Cruz not only deserves all the credit for turning this site around, but Tony has seamlessly blended his leadership style and personality to position himself and Propark to grow the Deer Valley market as we move forward. In fact, Tony has built such strong relationships with ownership, who are building 6-8 hotels in this ski village that they have already made it clear that as we grow, they want Tony leading the way. We have already opened one site in Tonys

market in the last month and are optimistic about another in July. I'm so grateful that Tony joined our team. I appreciate his efforts each and every day and I'm really excited for his growth and journey ahead. Thank you Tony, your efforts have not gone unnoticed!

Tony is a great leader, he took over a location where the AM just walked out, he has built a solid team and has a great relationship with the GM and ownership group.
