

Brett Litteral

Additional Circle of Excellence Nominations

During our recent Q2 QBR held at The Ohio State University's Ohio Stadium, I invited our CampusParc client Keith Palma to take 30-minute segment of the day to speak about CampusParc for the Midwest and Mountain Regions. During his presentation, he spoke extremely highly of Brett and her leadership of the Propark Team at Ohio State that consists of 11 salaries managers and over 200 hourly associates. To paraphrase Keith, "...this is hands down THE best management team I have worked with in my 9 years with CampusParc and also in 14 years that CampusParc has been at Ohio State and this is all due to Brett's leadership." This was in front of Dave Schmid, Rudy Touvell, and the entire Midwest and Mountain Region leadership teams. Sarah Blouch, CEO of CampusParc, often speaks very highly of Brett and her leadership.
